

## **WATER INTERRUPTION IN MATSAPHA**

Eswatini Water Services Corporation would like to notify its valued customers and the public in Matsapha and surrounding areas that there is an interruption in water supply due to power outage. This has resulted in the loss of production hours, significantly affecting water reservoir levels.

Affected areas include: Tubungu, Police College, Mashayitafula, Mhlane, OSSU and Nhlambeni. EWSC recognises the impact of service interruption on customers and appreciates the ongoing efforts by Eswatini Electricity Company of providing an alternative supply line to the treatment plant.

The Corporation regrets any inconvenience that may be caused by the interruption.
